

## DESCRIPTION OF ASSISTANT NEEDED FOR GOLD PRESENTATIONS

**You will need to select one woman SECRETLY before the show!** In other words, *no one else should know* that she will participate in the show. She will appear to be “randomly selected” from the audience. Rehearsal time will vary from show to show, and will be set between the meeting planner and Billy Riggs by phone a few days prior to the show. She will not need to come up on stage or be embarrassed in any way. “Rehearsal” is a HUGE overstatement. It will take about 2 minutes, and is incredibly easy.

### **VOLUNTEER SPECIFICATIONS:**

**Gender:** Female

**Illusion:** Mr. Rogers Neighborhood

**Size of Woman:** Irrelevant

**Age of Woman:** Any adult woman

**Language:** She must speak English fluently.

**Other requirements:** This woman should be a white collar employee or a manager who is not shy. She must meet with Billy Riggs for about three minutes at a prearranged time to rehearse. **She must sit on an aisle not far from the stage.**

**Difficulty:** Easy

**Clothing:** Irrelevant
