Fantastic! Great way of delivering the training. Kept the audience engaged. You spooked me!! I'm going back to work now extremely motivated! Thank you! **Wendy Leighton, Area Manager, Chevron**

Fantastic! Right when I needed it. Couldn't be better. I've trained thousands of speakers over the past 20 years, and I can be very critical. But you are bar-none the best speaker I've ever heard. **Terry Horton, Marketing Director, FTN Environmental Associates, Arkansas Independent Petroleum and Royalty Owners**

Thought-provoking, entertaining, thoroughly customized to our needs... your program was pertinent and meaningful to our members. 95% of our attendees rated your presentation as "excellent" I think those are the highest evaluations in the history of our annual convention! **Richard F. Keenan, Director, The New England Gas Association**

Great fun and great nuggets! Excellent!!! **Marleen De Loes, Area Manger, Chevron**

I've never seen anyone get a standing ovation from a bunch of CEOs like you did! It's certainly never happened at our convention before! **Rick Grapengater, President, National Gas Compressors Association**
