

How to Read Your Client's Mind!

Revolutionary training for audiences that think they've heard it all.

Serving and selling would be easy... if you could read minds! Clients frequently conceal ulterior motives, hidden agendas, and secret fears that unnecessarily complicate the sales process. When salespeople cannot quickly discern a customer's specific needs and wants, valuable time is wasted and sales are lost.

A Master Magician shows you how to learn what your customers really think!

Watch world-class illusionist Billy Riggs perform astounding feats of "mind-reading" on audience members, then listen as he reveals the closely guarded secrets of leading psychics and mediums, enabling you to know what other people are thinking!

A baffling, fun and enlightening program that helps you know what your customers are thinking.

Secrets never revealed before will make you a mind-reader!
