Our people are not easy to impress, but most people I spoke to referred to Billy as the best keynote speaker we have ever had! I cannot recommend Billy strongly enough! **Michael LeJeune, Executive Director, Texas Association of Personnel Consultants**

An exceptional evening of positive attitude and entertainment! **Jeff Wolff, President, Land Title Association of Colorado**

What a sensational program! You exceeded all of our expectations. Now I know why you were recommended to us so highly! **Gerald Tedrow, Executive Director, Western Petroleum Marketers Association**

I'm sure you hear it all the time but your presentation was fabulous. I got so much good feedback from so many people I lost count. We've had some good speakers but I'm not sure I've ever heard so many good things about any other presentation. I hope we can do it again in the future! **Sherri Schmoekel, Chief Operating Officer, PCAM, Community Associations Institute of Dallas-Fort Worth**

You put the WOW in our conference! No one - absolutely no one - left the room during your presentation. You had them truly captured! **Karen Bradley Burnett, Meeting Planner, American Feed Industry Association**

Educational benefits only topped by the entertainment! **Al Dupre, Secretary, Los Angeles Association of Fairs and Festivals**

Mr. Riggs was awesome! Haven't seen a motivational speaker that was spot on target with his audience in years and I attend approximately three conferences annually. I'm a little bit of an anomaly in that I not only own my private Homecare firm but also a temporary employment service serving central Georgia, a hospice and a fitness center. And I'm a practicing clinical pharmacist by training. Therefore, I'm at several conferences during the year. I feel I can speak from experience that Billy Riggs is, by far, the best. **Eddie Grogan, President, Georgia Chapter of HCAOA (Home Care Association of America)**

I've never seen anyone get a standing ovation from a bunch of CEOs like you did! It's certainly never happened at our convention before! **Rick Grapengater, President, National Gas Compressors Association**

He was hilarious, inspiring, awesome, and touching! Billy Riggs recognized our pains and trials and lifted us up. His thought-provoking session left our members on the edges of their seats. **Kara Lacke, Meeting Planner, Association of Texas Professional Educators**

It's been a tremendous pleasure to be able to write this thank you letter to you! All of those who turned in an evaluation form rated you a "firewall 5" out of a possible 5! To the best of my knowledge, this has never happened at our convention. To say you hit a bulls eye with your presentation would be a gross understatement." **Sue Rogers, Executive Director, Minnesota Funeral Directors Association**

Billy Riggs set the mood for our entire conference in such a manner that you would not believe! Throughout the conference, everyone expressed how entertaining, yet professional he was and that he had a special insight into the aviation industry. On a score of 1-10 points, Billy scored a 10+ that day! **Patrick Graham, American Association of Airport Executives**

Absolutely entertaining, informative and uplifting!! I took much more away than just a program. You are such a talented man! After your session, we were all talking. We all agreed that yours was the best program we've had in the nine years we've been holding conventions. You should be playing in Vegas to huge crowds. THANKS! **Pete Torpel, President, Phone On Hold Marketing Association**

Your program and illusions were the hit of the convention! People are still talking about your performance and message. It was especially nice to hear an upbeat motivational session at the beginning of the convention. **John McCluskey, President, Professional Bondsmen of Texas**

Thought-provoking, entertaining, thoroughly customized to our needs... your program was pertinent and meaningful to our members. 95% of our attendees rated your presentation as "excellent" I think those are the highest evaluations in the history of our annual convention! **Richard F. Keenan, Director, The New England Gas Association**
