*Mr. Riggs was awesome! Haven't seen a motivational speaker that was spot on target with his audience in years and I attend approximately three conferences annually. I'm a little bit of an anomaly in that I not only own my private Homecare firm but also a temporary employment service serving central Georgia, a hospice and a fitness center. And I'm a practicing clinical pharmacist by training. Therefore, I'm at several conferences during the year. I feel I can speak from experience that Billy Riggs is, by far, the best.* **Eddie Grogan, President, Georgia Chapter of HCAOA (Home Care Association of America)**
