Our group was so moved and inspired by your wit, comedy, magic and very, very powerful message. As CEO, I was thinking during your presentation what a home run I'd hit by asking you to speak. Although it was your second time here, I was blown away by how powerful and effective you really are. No one does what you do. No one does it how you do it. You are totally unique and a treasure!

Richard Brooke, CEO, Oxyfresh Corporation

Heaven sent... a breath of fresh air... could not have been better, practical "how-to" tips that seasoned and new distributors could use immediately, great.

Entertaining and content-rich! **Doris Wood, President Emeritus, Multilvel Marketing Association of America**

Our people absolutely LOVED your presentation! I have seen many speakers and not one has been as entertaining, motivating and inspiring as you were. YOU WERE WONDERFUL! Even better, the founders of our company were thrilled with your message. **Richard Higbee, Director of Training/Events, Life Force International**

Wow! He keeps you on the edge of your seat! **Amy Lilyea, Manager, Team in Focus**

Billy Riggs is incredible, We got to see Billy in Las Vegas in 2012 when I was asked to speak on "How Watkins, and Watkins Products, changed my Life". Billy performed in the morning, and I was blessed to be on the same Stage that afternoon! Today, I'm an Independent Executive with Watkins Products, and let me tell You, Billy is awesome! Billy Riggs helped change my life! With Billy Riggs, Seeing is Believing, and He taught me not only is seeing Believing, but Believing (with the right attitude) is Seeing! Today, thanks to Billy and others like Him I see things differently, and I see our Business and Success growing daily! Thanks Billy Riggs! **Brian W. Hurlburt, Distributor, Watkins International**

Your program was a first to me even though I've been in the industry for 30 years. I've always known that people learned the most when they are having fun, but now I can say that adding a little "magic" makes people see it in a different way. That is important because people in this business hear the same things over and over, but this was really different and great. I hope to have you at another event! **Angel Torres, National Sales Director, Shaklee International**

Absolutely inspirational! Magically motivational! **Sondra Wollbrinck, Silver Consultant, The Summit Group**

So much more effective than any I've seen in bringing me to truly appreciate what I can do. **Judy Grady, Team in Focus**

Fun, entertaining and informative! You kept 5000 on the edges of their seats for an hour. **Bubba Pratt, Diamond, Amway**

Mr. Riggs is truly a professional! He is a speaker that delivers with a fascinating spin. His keynote was amazing. Our distributors are still commenting on the informational, fun experience Billy gave them... thank you! **Paula Martin, Meeting Planner, Cell Tech**

A combination of showmanship and crisp lessons in the craft of selling that keeps the audience receptive and alert. **Ed Faddoul, Owner, Potential Enterprises**

Billy gave an outstanding presentation that kept the audience captivated. Excellent mixture of magic, wit and network marketing tips. **Craig Whitley, Senior Partner, Purvin and Gertz**

Great magic! Great humor! Great points! People always remember points made with examples, and especially those with comedy. The Magic was a bonus. **Karen Hoskey, Team in Focus**

Great motivational event! For anyone who needs a boost, Billy Riggs is rocket fuel!! **Michael Laurino, President, Premiere Heights**

My team LOVED you! You are getting rave reviews. Your wholesome comedic act and illusions were incredible, and if that was not enough, you got across some mindset-changing points while entertaining! **Gina Thayer, Discovery Toys**

Love the illusions! But REALLY loved the information on building my Watkins business. I am more enthusiastic and motivated to achieve my goal of "Gold Executive." Way to work it, Billy! **Garnie Bethea, Watkins, International**
