

PEST CONTROL

I have seen Billy now on three occasions, and each presentation is better than the one before. Seeing and listening to Billy has been a life-changing experience for me, and I will always be grateful. I would recommend him for any size company event you might have. **Robert Croom, General Manager/Operations Manager, Augustine Exterminators, Kansas City, Missouri**

Billy's performance was phenomenal. He kept the entire crew in stitches for the whole show. Not only that but he showed up hours early to make sure everything was ready and paid a lot of attention to the details. I would highly recommend Billy. Our event was a company awards banquet but I could see him entertaining all types of groups. **Eric Eicher, Co-owner, Vice-President, Versacor Pest Control, Texas**

Simply amazing, seriously inspiring. **Byron Nelson, Schendel Pest Control, Kansas**
