*Truly an experience you will never forget. Your life and how you see it will change for the better. **Jose Camacho, Associate Director, Verizon Wireless***

*Fantastic presentation, funny, informative, motivational, exciting. On a scale of 10, I give it a 12! **Theresa Kelly, Birch Telecom***

*He helped me remove mental barriers that will revive my career. The best program I've ever seen. **Chris Delacre, Sprint PCS***

*Great tricks, but an even better message! We all need to be more passionate to "break" that glass ceiling. Excellent. **Mike Sarro, Principal Manufacturing Consultant, Phoenix Business Consulting, Inc.***

*A "10." An absolute "10." Great info with one of the most unique and enjoyable deliveries I've ever seen. **Rodney Smoczyk, Excel***

*Excellent, enlightening throughout, realistic, entertaining, fun, useable information, behavior changing info, tools and motivation that I can use to make a difference. **John Moody, Sprint Store Manager, Rockville, Maryland***

*Great! Entertaining change to the typical “motivational” speaker. **Cathy Goodman, Birch Telecom***

*Billy was the complete professional in every respect. The Greenbrier crew enjoyed supporting him, he was wonderful with our support staff including me. We thoroughly enjoyed him and his presentation. He was respectful of our winners and their achievements as well as Shentel, even working the logo into the [PowerPoint] deck. He would get our highest recommendation. Thank you again.... **Tom Whitaker, Senior Vice President, Cable Division, Shenandoah Telecom***
